# The 1997 Golden Warrior Yearbook is dedicated to. . . .

*My favorite quotation  
that I keep on my desk  
reminds me of Elizabeth  
Higgs . . . "To laugh often  
& much, to win the respect*

*of intelligent people and the  
affection of children . . . to  
leave the world a bit better . . .  
to know even one life had  
breathed easier because you  
have lived, that is to have  
succeeded."*

*Thank you, Mrs. Higgs, for  
showing what success really  
means. You have been a guiding light that will forever shine.*

*Love always,  
Amy Eubanks Giddens  
(former student)*

Mrs. Higgs & fellow teacher Mrs. Swindle.

*Elizabeth Higgs has made an outstanding contribution to the  
quality of education at Sanger High School during her career. She  
is an excellent role model for students, parents, and colleagues.  
She has influenced a number of students to pursue careers in home  
economics.*

*On a personal note, Mrs. Higgs has had a positive influence on  
my life. Her friendship and guidance has been willingly given  
through the years I have known her. She has always been so  
willing to listen and provide insight in her usual friendly and*

*non-judgmental  
style. Her love  
for teaching has  
been as asset to  
all of us at SHS.  
Thank you Mrs.  
Higgs, we love  
you!*

*Mrs. Linda Tutt*

Mrs. Higgs with her father,  
the late Mr. Gillum.

# Mrs. Elizabeth Higgs

*for her 30 years of service at  
Sanger High School.*

*I know of only two other people who have had such an impact on my life & I place you up there with them. You started your career at Sanger 30 years ago when I was a Senior. From that Senior year to now, we have laughed, cried, worried, and built many beautiful floats together.*

*You have taught my children as well as many others the true values of life. We at Sanger High have been very fortunate to have one of the greatest educators at our school and for so many years. I could write a best selling novel on all that has happened during those years. You're truly one in a million.*

Mr. & Mrs. Joe Higgs

*I Love You, Linda Hewlett*

*While many people have chosen to pursue a career in Education, there are some whose flame shines brighter than others. These individuals possess a level of commitment and caring that far exceeds the norm. Such Educators possess that special gift that makes each child feel important.*

Mrs. Higgs with her pride & joys (her 3 grandchildren).

*Mrs. Elizabeth Higgs is one of these distinguished educators. Words cannot adequately describe her talents so I must simply say thank you, on behalf of all of us whose lives you have touched. You have been a symbol of strength and integrity during your thirty years in education. The young people you have positively affected are living examples of your special spirit and talent to teach. You leave behind a rich legacy for both those who have known you and future generations of students in our school district. We love you Mrs. Higgs and thank you for all the gifts you have granted to our students, parents, staff, and community. May God Bless you. You are the best!*

Sincerely, Mike Rosenberg,  
Superintendent of School

Mrs. Higgs with long time teaching partner, the late Shelley Langley.

Sanger High School

## From the Superintendent Mike Rosenberg

While the world we live in may change on a daily basis, the basic principles for success remain the same. My wish for each student at Sanger High School is that you will continue to use your ability to make this world a better place. By doing so you will maximize what you have learned during your years here in our school district. Always give your best effort. Condemn what is wrong and defend what is right. Make the rest of your life a season that represents only the best of what you have to offer. This will lead you to that measure of accomplishment that all of you deserve. I wish you God speed as you continue your journey and am sure that success and all that is good will accompany each of you.

Student success is the trademark of Sanger High School!! We have a wonderful staff & a very good group of students. The hard work & dedication of all of these people has contributed to this success. There is a strong spirit which has bound us all together to accomplish our goals. I am proud to be the Principal of a "Recognized" school. I am also excited about the future of Sanger High School and the success that awaits our graduates. Setting high expectations and then working persistently to achieve these goals has been our formula for success. I hope that each student will use these valuable lessons to make a difference in the 21st century. It has been said, "To teach is to touch the future."

The Varsity Cheerleader's have an enormous amount of athletic ability and community spirit. They make up the best squad I have ever seen perform in this area. This group of athletes has definitely proven that cheering is a sport which requires strength, stamina, and a great deal of energy. Good job, girls!

The 1996 Sanger Indian football team faced a tremendous challenge to be able to duplicate the success experienced by the 1995 team. They not only had to replace several all-district, all-area, and all-state players but also had to play one of the toughest schedules Sanger ever had. They also had to defend the District 9-3A Championship, which had everyone gunning for the Indians.

The Indians, with great leadership from ten seniors, fought hard all season and finished with an 8-3 record and District 9-3A runnerup position. In a heartbreaking 13-14 loss to Commerce, the Indians narrowly missed becoming the first Sanger football team to win a bi-district championship in decades.

I will always be extremely proud of how these young men played and fought and in spite of the disappointments of not winning the District Championship and narrowly missing the Bi-District Championship I will always be grateful for what they did to help establish a winning tradition in Sanger Indian Football.

### "The Man in the Arena"

It is not the Critic who count's  
Nor the Man who points out how  
The strong man stumbled,  
Or where the Doer of Deeds could have  
Done them better.

The Credit belongs to the man who is  
Actually in the Arena;  
Whose fate is marred  
By dust and sweat and blood;  
Who errs and comes short again;

Who knows the Great Enthusiasms,  
The Great Devotions;  
And spends Himself in a worthy cause;  
Who at best knows in the end  
The triumph of high achievement;

And who at the worst, if he fails,  
At least fails while Daring Greatly;  
So that his place shall never be with  
Those cold and timid souls who know  
Neither Victory Nor Defeat.

"This year's J.V. overcame a great deal of adversity to capture the district championship. Despite being consistently outnumbered and often outmatched, the team's hard work and character made up for it. They stayed together in the tough times and that made all the difference."

Senior setter Emmy Langford was selected as a member of the 1996 Texas Girls' Coaches Association All Star volleyball team. Langford led the Lady Indians with 127 assists while setting for outstanding middle hitter Katie Webster. In addition, Langford was among team leaders in other categories including defensive digging, attack percentage, serving, passing and kills. Other recognition received by the Lady Indians this season included Webster and Langford being named to the First All District Team, while Jennifer Martin and Nancy Kamp were selected for the Second Team. Also, these players made the Academic All District Team by maintaining a 90 or above average in all classes during the season: Webster, Langford, Martin, Kamp, Amanda Riddle, Amanda Lambert, Angel Gonzales, Lindsey Wadsworth, Brooke Felts, Melissa Nicholson, and Vicky Kamp.

Some people might not view our season as a success because of our record. I would have to disagree with that because we did achieve some of the goals we set at the start of the season. Even though we went through the highs and lows of an unexperienced team, we continued to improve constantly. There was much more happening on the court than just winning and losing. Through the strong leadership of our seniors, the Lady Indians began the difficult task of building a winning program. In all, it was a good season and I'm very proud of all our volleyball teams. I'm looking forward to the coming seasons.

“The 1996 volleyball season, in my view, was a successful one, despite our win-loss record. We learned a great deal about each other, our team, and most importantly about the game of volleyball itself. Our basic knowledge and fundamentals of the game improved throughout the year and will provide a solid base for us to build upon next season.

“The 1996-97 Lady Indians continued to raise the standards and expectations of the basketball program. The twenty-one wins will become a standard in which future teams will be challenged to match or beat. The wins were good but we were disappointed in not reaching our goal of being in the State playoffs. Goals are very important in life. The 96-97 Lady Indians taught us that when you reach your goals you celebrate and when you fall short you reevaluate and set new goals that will help you succeed in all areas of life.

The future looks incredible for our young team with no seniors and only three juniors on its roster; the nucleus for a run at a district championship, and playoffs is a big possibility. For the second year in a row the varsity team will have to start more freshmen than upper classmen. Lack of experience has cost us in the "win" column. However, the experience the young players are receiving will definitely enhance our chances in the future. Needed leadership has stepped forward and the girls have worked like true champions. Eagerness and willingness of the girls to do what it takes to be successful has set the foundation for a strong program for years to come. Thanks girls for having the "want to"!

The Home Economics Cooperative Education program is designed to train students for a specific occupation in the Home Economics field. The students are placed in businesses in the community such as food services, child care, institutional maintenance, and interior design. The students also use a class period to discuss different aspects of their job and learn from each other.

## OFFICE ADMINISTRATION COOPERATIVE EDUCATION

The Office Administration Cooperative Education program is designed to train students for a specific occupation in the business field. The students are placed in businesses in the community in which they receive supervised on-the-job experience, as well as individualized instruction in the classroom.

HOSA (Health Occupations Students of America) is a student organization composed of students enrolled in Health Science Technology classes. The purpose of the organization is to promote health education and to provide opportunities for student leadership development. Throughout the year, HOSA is involved in various activities such as the Great American Smoke-Out, Red Cross Blood Drive, and Sanger Chamber of Commerce "Adopt-a-Family." The members also participate in the HOSA Area V Competitive Events Program held each February. During this two-day meeting, students compete in a variety of skill and leadership events such as Medical Assisting, Physical Therapy, CPR & 1st Aid, Prepared Speaking, and Job Seeking Skills.

With a combined number of members totalling 170, approx. 1/2 of the student body is involved in FHA. FHA/HERO is the only school discipline that focuses on the family. Through Families First, the newest national peer education program, FHA students learn to become strong family members and how to help other families too. The Families First theme carried into several aspects of FHA/HERO activities, including the co-hosting of a Leadership Workshop held at Denton's Ryan High School and a "Baby Think It Over" program. By striving to put "Families First" into action, the Sanger High and Ruby Dennis chapters of FHA/HERO continue their goal of learning to care, share, love and relate.

Student Government is one of the largest organizations in the high school. It is a group that is composed of elected officers which includes the president, three vice-presidents, club representatives, and class officers. All of these people work together to represent the student body of Sanger High School. Student Government sponsors at least a project a month such as Cash for Kids, the Little Angel Program, Drug-Free Week, the Teacher Appreciation Luncheon, and Save a Sweetheart Week. The largest projects during the year are Homecoming, the Christmas dance, and the Favorites dance. Student Government is a terrific way to become involved.

## CHOIR

In choir we developed our vocal skills by learning a variety of songs. The songs range from Classical to Broadway. During Christmas we sing traditional Christmas and Pop-Christmas songs. At Christmas we sing at many concerts for our families, the senior citizens, and for the community at the Christmas Tree Lighting. During the spring we have a large show that we pick a theme for. Our theme this year was "Broadway". Everyone had a great time learning the new songs and performing them!

# Art Club

Amanda Kistler, Brandon Lester, Justin Calvert, Karissa Moss, David Hill, Aaron Rathbun. Lynn Davis, Kristi Rackley, Kiley Kwast, Cary Spratt, Cheryl-Annett Kincaid, Carla Owen, sponsor. Stacy Smith, Doug Hill, Dustin Jenkins, Chad Miller, Szucceed Ly, Daniel Rathbun.

This is the first year that Sanger High School has had an Art Club, and they have started off with a bang! The students participating in the club get to do "special" art projects that are not covered in regular art classes. They also are exposed to Fine Art by visiting art museums, galleries and shows. The club provides a unique social atmosphere for those students searching for the "right-brained" experience.

# Peer Assistance and Leadership

David Hill, Karissa Moss, Jennifer Williamson, Terry Tutt, Brandon Murdock. Mrs. Swindle, Tina Jernigan, Mandy Tucker, Kiley Kwast, Katie Webster, Albert Garza, Marie Kayitah, Jessica Siver-Nil, Emmy Langford, Ami Spindle, Chad Bell, Michael Alexander, Jeremy Kirkland

Selected Juniors and Seniors are nominated by teachers and have to pass an interview process, in order to be chosen for a PAL. These students are then trained to work with other students at all campuses. PALs goals are to provide positive role models, prevent students from dropping out of school,

help students make more responsible decisions, improve behavior and school attendance, encourage academic performance, provide tutoring, and a listening ear. PAL students must demonstrate strong leadership skills, the ability to be good listeners, trustworthy, caring, and responsible.

S.A.D.D. strives to raise the awareness of the dangers of alcohol and drug use. We advocate a "no-use" policy for alcohol and other drugs, as well as educating the students and the community about the dangers of drinking and driving. S.A.D.D. sponsors several activities throughout the school year to raise awareness of the problems of drunk driving. These activities culminate with the after-prom party open to all juniors and seniors to enjoy a safe and sober prom experience.

*Our prayer for you is that God  
will use all things in your life  
and work them together for  
good . . . . that tough times will  
build you in character . . . .  
that good times will keep you  
grateful . . . . that testing times  
will strengthen your faith . . . .  
that prosperous times will  
enrich your giving. Remember  
to seek wisdom in all things;  
allow God to lead your steps;  
and, let love control your heart.*

## *Don't Quit*

When things go wrong as they sometimes will;  
When the road you're trudging seems all uphill;  
When the funds are low, & the debts are high;  
And you want to smile, but you have to sigh;  
When care is pressing you down a bit-  
Rest if you must, but don't you quit.  
Success is failure turned inside out;  
The silver tint of the clouds of doubt;  
And you never can tell how close you are;  
It may be near when it seems afar.

## *Jimbo Last*

So, stick to the fight  
when you're hardest  
hit -  
It's when things go  
wrong that you  
mustn't quit.

Love, Mom & Jennie

## *Jennifer Martin*

As you leave your childhood and embark  
upon a new and exciting journey, I hope you  
find all of your dreams. Never lose sight of  
those dreams and hope will always be with  
you. You can be anything you wish; you  
have the world in your hands.
